Notes on National Record Recognition:

1. To see the official rules regarding the recognition of National Records by the National Three Position Air Rifle Council, see Rule 11.0, page 59, **National Records**, in the **National Standard Three-Position Air rifle Rules**.
2. To be recognized as a National Record, the score must be fired in a competition that is conducted under the National Standard Three-Position Air Rifle Rules and sanctioned by Civilian Marksmanship Program. Reports of possible National Records must be submitted to the National Three-Position

Air Rifle Council, P. O. Box 576, Port Clinton, OH 43452. Contact the Council to obtain an official form to use in submitting a National Record application.

**3.** National Record applications must give the name of the competitor, the competitor's address, the organization or team represented, the date of birth of the competitor, the competition date and location where the record was fired, the name of the organization that organized the competition, the score fired and a certification that the competition was conducted in full accord with the National Standard Rules. Targets for all possible record scores must be submitted for review by the National Council.
