

2009 CMP MOU Affiliates Annual Report

Instructions:

1. The CMP (Civilian Marksmanship Program) is a federally-chartered, not-for-profit corporation whose statutory mission is to "train U. S. citizens in rifle marksmanship and firearms safety" with a "priority emphasis on youth." The CMP promotes youth marksmanship and safety training by providing instructor training, curriculum and training materials and youth competitions. These programs are delivered through cooperative arrangements with national youth-serving organizations.
2. The CMP has MOU (Memoranda of Understanding) agreements with several national youth-serving organizations to support the marksmanship programs of these organizations. These agreements automatically recognize all JROTC units, 4-H Shooting Sports Clubs, youth camps and BSA/Venturing organizations with marksmanship programs as CMP affiliates. These affiliate relationships entitle your organization to receive CMP communications including **On the Mark** magazine and **Shooters News** email releases, to participate in CMP programs and to purchase CMP equipment and training materials at club rates. Adult leaders of MOU affiliates are eligible to purchase CMP government surplus rifles and ammunition.
3. As an MOU Affiliate, JROTC units, 4-H Shooting Sports Clubs, youth camps and BSA organizations do not pay annual CMP affiliation fees and are not required to submit a regular **Annual Renewal and Statistical Report** (other CMP affiliates must submit these reports to renew their CMP affiliation). The CMP does, however, request that MOU affiliates submit a brief report on your marksmanship activity during the past year. The CMP uses this information to assess the status of youth marksmanship in the United States and to plan future program efforts.
4. Your organization may submit this voluntary report by completing this form and forwarding it to the CMP or by completing and submitting this form electronically. In order to compile youth marksmanship statistics for the past year, the CMP requests that you submit your report by 1 April 2008.
5. If you have any questions concerning your CMP affiliation or your Report, please call or email the CMP Affiliate Relations Coordinator (419-635-2141, ext. 1107; clubs2@odcmp.com).
6. If you wish to purchase additional subscriptions to **On the Mark** for anyone associated with your organization, please include a check or credit card information in the amount of \$8.00 per additional subscription.

Basic Information about Affiliate:

CMP Affiliation ID Number (Club #): _____

Name of JROTC Unit/Club/Organization: _____
